

Oskar the High Peak Otter says: families have fun with WILD ART!

You will need:

- twigs & sticks
leaves & stalks & flowers
berries & nuts
- juicy things - oranges & lemons & limes
pulpy things - apples & bananas & berries & celery
powdery things - dried herbs & spices, coffee grounds, used teabags
a pestle and mortar or a wooden spoon and bowl
tap water
- scraps of clean cloth
an old sheet (washed and dried)
paintbrushes & old toothbrushes
wooden spoons & spatulas
sponges & pot scrubbers
- pea sticks & bamboo canes
string & twine

What to do:

1. Make 'paint' by grinding up a selection of natural items in a pestle & mortar or with a wooden spoon & bowl
2. Use various natural items to make marks and paint a picture onto fabric

does your paint
smell nice?

can you give your
picture a title?
